Graduation Day

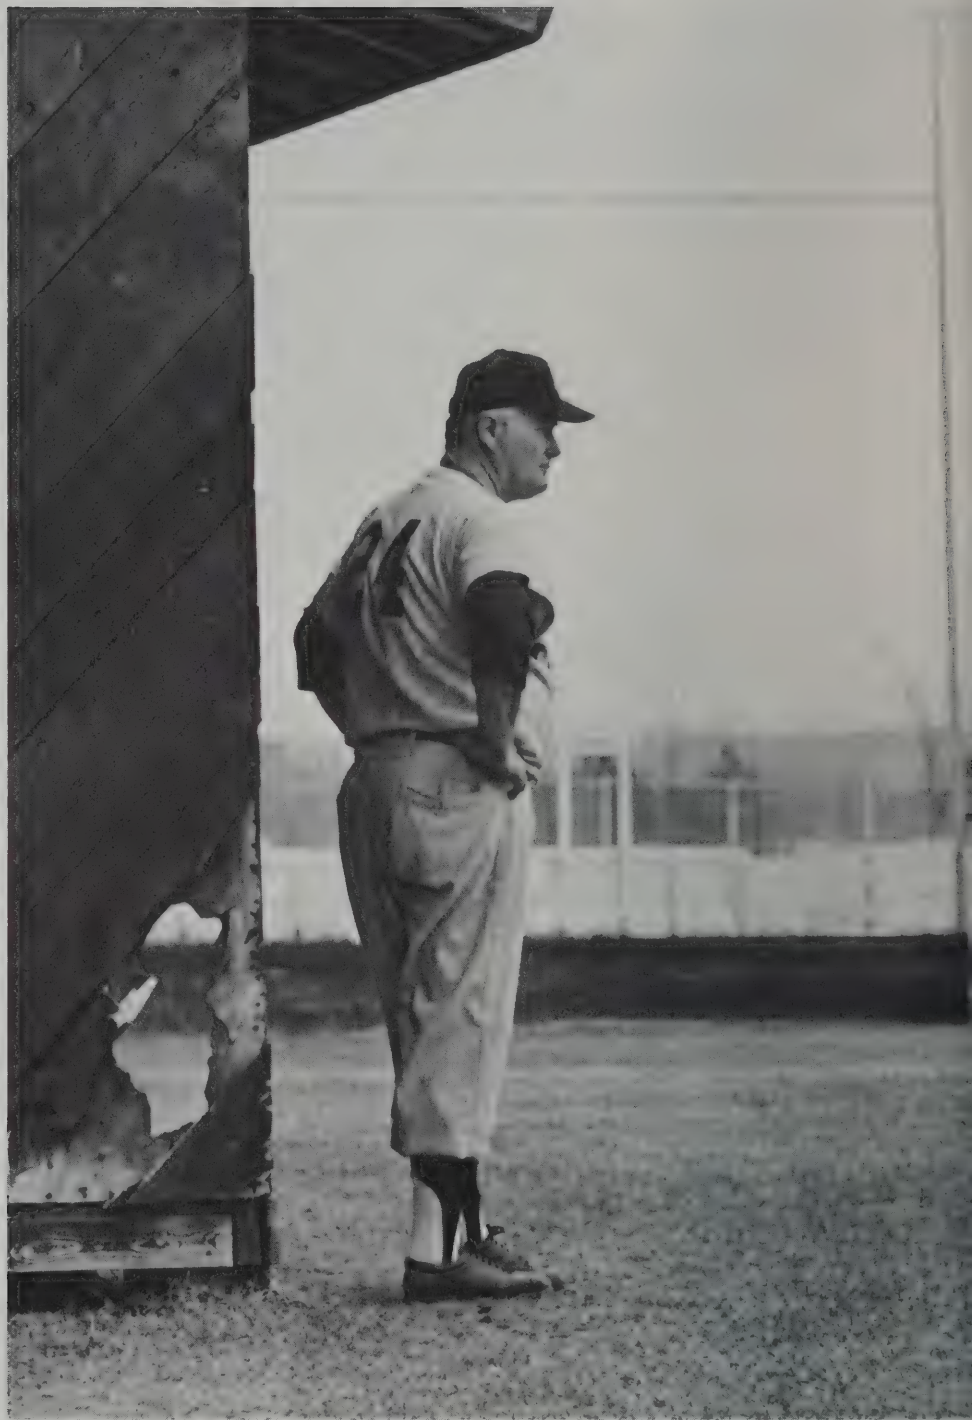

As one half of the editorial staff of the Shield it is with deep love and appreciation that I dedicate the yearbook to Joe Pattison. Joe was a man who put in many hours at St. Michael's. He was first a student who graduated with the class of 1950. He then returned to become Director of Purchasing and also the Varsity Baseball Coach. All of us who knew Joe were better off, and now that he is gone we miss him very much. The memory of Joe Pattison will remain with me forever.

Sincerely,
Bill

Joe Pattison

Rev. Lorenzo D'Agostino S.S.E.

The 1976 Shield is dedicated to Rev. Lorenzo D'Agostino, S.S.E. We bestow this honor upon him in recognition of his dedication and selflessness in working always for the betterment of the college, the students, and the community. Besides teaching three psychology courses at St. Michael's, Fr. D'Agostino has also been active on the Vermont State Mental Health Board, established himself as a respected arbitrator of labor disputes and written numerous articles and books. Despite these time consuming activities he has always been able to find time to give to the students of St. Michael's College. Fr. D'Agostino will not be returning to St. Mike's next year for personal reasons. As a symbol of our respect and admiration the class of 1976 dedicates this book to him.

we will help keep you informed about st. mike's, the faculty and your friends through the SMC magazine or bulletin.

let the alumni office know when you have changed addresses; married; received a promotion, etc. we will pass the news on to your classmates.

"best wishes for success" from
— your ALUMNI ASSOCIATION.

In making this publication of the '76 Shield there were many great sacrifices to be made. It took many long hours to decide where we wanted to go with this book.

We firmly believe that we accomplished our main goal, this was to get as many faces in this book as humanly possible.

As now we all embark on that long journey of life, we hope that someday you will pick up this book, and if it brings a smile to your face, we have done our job. If not, let's go to Hannibal's and discuss it.

Sincerely,
the editors.

P.S. Remember, to err is human, to forgive is divine.
